The purpose of this Disclosure Statement is to fully inform you about the Debtor, the Debtor's Plan of Reorganization ("Plan") and your rights so that you may have the necessary information to make decisions regarding your right in relation to the Debtor and his Plan. A full copy of the Plan is attached to this Disclosure Statement as Exhibit A. **SEE EXHIBIT A-THE DEBTOR'S PLAN OF REORGANIZATION.**

A. SUMMARY OF PROPOSED DISTRIBUTIONS:

B. THE PURPOSE OF THIS DISCLOSURE STATEMENT AND THE PURPOSE OF THE PLAN OF REORGANIZATION.

The purpose of this Disclosure Statement is to provide adequate information to enable the parties affected by the Plan to make reasonably informed decision as to the term of the Plan. This Disclosure Statement clarifies how the Plan proposes to treat your claim, and it describes your right in the Plan and your rights in this bankruptcy process. It describes the Debtor's financial circumstances and the significant events during the bankruptcy case. It clarifies how the Plan proposes to treat your claim (e.g. what you will receive for your claim when the Plan is confirmed). It describes who can vote or object to the Plan. It describes what factors the Bankruptcy Court ("Court") will consider when deciding whether or not to confirm the Plan. It describes how and why the Plan is feasible, and how your treatment under the Plan compares to what you would receive for your claim in a hypothetical liquidation. Finally, it describes the effect of the confirmation of the Plan.

Please note: THIS DISCLOSURE STATEMENT DESCRIBES THE PLAN. **BUT IT IS THE CONFIRMED PLAN ITSELF THAT WILL ESTABLISH AND CONTROL YOUR RIGHTS.** Where the Plan and the Disclosure statements conflict, the Plan controls and supercedes the Disclosure Statement. **BE SURE TO READ THE PLAN CAREFULLY.**

As required by the Bankruptcy Code, the Plan places claims in separate classes and describes the treatment each class will receive. The Plan also state whether each class of claims is impair or unimpaired. Your recovery and rights are set forth and established by the Plan.

III. DESCRIPTION OF THE DEBTOR'S BUSINESS

A. THE LEGAL TYPE OF BUSINESS ENTITY/ MANAGEMENT OF THE DEBTOR BEFORE AND DURING THE BANKRUPTCY.

Under the law, the Debtor's (husband and wife) together are considered as one single individual person. The Debtor's estate is to be treated as a sole proprietorship wherein the Debtors are unified as one single individual for assets and debts acquired during their marriage. In some cases, the Debtors may each be considered separate entities for assets and debts acquired before their marriage. There are no officers, directors, or managers other than the Debtors.

During the period to the date on which the Debtor's filed the bankruptcy, the Debtors operated as sole proprietors. During this bankruptcy until the confirmation of the Plan, the Debtors will continue to manage their business as a sole proprietorship. After the effective date of the order confirming the Plan, the Debtors will continue to manage their business.

If an asset's value is being reduced further since the Motions to Value, then appraisals were forwarded to each secured lender in this case with respect to the related collateral. In addition, the Debtor reserves the right to re-appraise the properties prior to confirmation of the plan to reflect the value of the home at that time. Therefore, if you are a secured lender, your secured claim may change in connection with confirmation of the Plan if the value of your collateral has fallen since the approval of the Motion to Val

Settlement of Disputed Claims. The Debtor will have the power and authority to settle and compromise a disputed claim with court approval and compliance with Rule 9019 of the Federal Rules of Bankruptcy Procedure.

iii. PROJECTED RECOVERY OF AVOIDABLE TRANSFERS:

The Debtor does not intend to pursue preference, fraudulent conveyance, or avoidance actions at this time. The Debtor does not believe any significant transfers occurred during the two (2) year period leading up to the filing of this case. Importantly, the majority of the Debtor's significant transfer were the payment of the mortgages.

1 The Debtor reserves his right, however to perform and complete an investigation with regard
 2 to pre-petition transactions. Although he does not believe significant transfer occurred, creditors
 3 should be aware that if you received a payment or other transfer within ninety (90) days of the
 bankruptcy, or other transfer avoidable under the Bankruptcy Code, the Debtor may seek to avoid
 such transfer.

4 **V. CONFIRMATION OF THE PLAN.**

5 In order for a Plan to be effective and binding on the Debtor and his creditors, certain
 6 creditors must vote to approve or reject the Plan, and the Court must approve of the Plan after notice
 and a hearing.

8 **A. CONFIRMATION REQUIREMENTS**

9 To be confirmable, the Plan must meet the requirements listed in Section 1129(a) or (b) of
 the Bankruptcy Code. These include requirement that: (1) the Plan must be proposed in good faith;
 10 (2) the Plan must distribute to each creditor and equity interest holder at least as much as the creditor
 or equity interest holder would receive in a Chapter 7 liquidation case, unless the creditor or equity
 11 interest holder votes to accept the Plan;(3) the Plan must be feasible; (4) at least one impaired class
 of claims must accept the plan, without counting votes of insiders. These requirement are not the
 12 only requirements listed in Section 1129, and they are not the only requirements for confirmation.

14 **B. REQUIREMENT FOR CONFIRMATION-THE DEBTOR HAS PROPOSED HIS PLAN IN GOOD-FAITH**

15 The Debtor has proposed his Plan in good faith. Debtor's substantial mortgage payments
 16 have resulted in Debtor's inability to cover his expenses through incoming rental payment and
 personal income. Furthermore this set of circumstances has resulted in substantial arrears on the
 17 Debtor's primary residence. This Plan lowers the Debtor's debt obligation on the investment
 properties and cures any arrears on his primary residence. In his Plan the Debtor, to the best of his
 18 knowledge, has presented the facts honestly and completely. There is no evidence that the Debtor
 19 has abused the Bankruptcy laws in any way.

21 **C. THE "BEST INTERESTS OF THE CREDITORS" REQUIREMENT FOR CONFIRMATION- EACH CREDITOR WILL RECEIVE EQUAL OR GREATER COMPENSATION UNDER THE PROPOSED CHAPTER 11 PLAN THAN ITS 22 COMPENSATION UNDER A HYPOTHETICAL CHAPTER 7 LIQUIDATION:**

23 To confirm the Plan, the Court must find that the Chapter 11 Plan is "in the best interest of
 24 the creditors." That is all creditors and equity interest holder who do not accept the Plan must
 receive at least as much under the Plan as such claim and equity interest holders would receive in
 25 a Chapter 7 Liquidation. **Exhibit C-The Debtor's Liquidation Analysis** shows that Creditors will
 receive as equal or greater compensation under the Debtor's proposed Chapter 11 Plan than under
 26 a hypothetical Chapter 7 liquidation. The Debtor's Plan is "in the best interest of the creditors," and
 it should be confirmed.

28 **See Exhibit C-The Debtor's Liquidation Analysis** for a detailed discussion regarding the "Best
 Interest of the Creditors" and the Liquidation analysis as it applies to each class of claims.

D. THE PROPOSED PLAN IS FEASIBLE

Pursuant to 11 USC 1129(a)(11), the Court must find that confirmation of the Plan is not likely to be followed by the liquidation, or need for further financial reorganization of the Debtor or any successor to the Debtor, unless such liquidation or reorganization is proposed in the Plan. **EXHIBIT E-THE DEBTOR'S FEASIBILITY ANALYSIS** shows that the Debtor will meet his debt obligations under the Plan and that further reorganization or liquidation will not occur. Thus, the Plan is "in the best interest of the creditors" and it should be confirmed.

SEE EXHIBIT E-DEBTORS' FEASIBILITY ANALYSIS for a detailed discussion regarding the feasibility of the Plan.

E. CONFIRMATION VOTING REQUIREMENTS AND PROCEDURES:

i. PARTIES WHO MAY VOTE TO ACCEPT OR REJECT THE PLAN AND WHO MAY OBJECT TO CONFIRMATION OF THE PLAN

Any party-in-interest may object to the confirmation of the Plan if the Party believes that the requirements for confirmation are not met.

Many parties-in-interest, however, are not entitled to vote or accept or reject the Plan. A creditor or equity interest holder has a right to vote for or against the Plan only that creditor or equity interest holder has a claim or equity interest that is both (1) allowed (or allowed for voting purposes) and (2) impaired. As provided in Section 1124 of the Bankruptcy Code, a class is considered impaired if the Plan alters legal, equitable, or contractual rights of the members of that class.

In his case, the Debtor believes that Classes 1, 2, and 3 are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan.

ii. PARTIES ENTITLED TO VOTE

The following types of claim-holders are not entitled to vote:

- Holders of claims that have been disallowed by an order of the court;
- Holders of other claims that are not "allowed claims" (as discussed above) unless they have been "allowed" for voting purposes;
- Holders of claim in unimpaired classes
- Holder of claims entitled to priority pursuant to Sections 507(a)(2) or (a)(8) of the bankruptcy Code;
- Holders of claims in classes that do not receive or retain any value under the plan; and
- Administrative Expenses

Even if you are not entitled to vote on the Plan, you have the right to object to the confirmation of the Plan and to the adequacy of the Disclosure Statement.

iii. PARTIES WHO CAN VOTE IN MORE THAN ONE CLASS

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in multiple classes, is entitled to accept or reject a

Plan in each capacity and should cast one ballot for each claim.

iv. VOTES NECESSARY TO CONFIRM THE PLAN:

If an impaired class exists, the Court cannot confirm the Plan unless (A) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class or (B) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by “cram down” on non-accepting class as discussed below.

1. VOTES NECESSARY FOR A CLASS TO ACCEPT THE PLAN:

A class of claims accepts the Plan if both the following occur: (A) the holders of more than one-half ($\frac{1}{2}$) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (B) the holders of at least two thirds ($\frac{2}{3}$) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

2. TREATMENT OF NON-ACCEPTING CLASSES-“CRAM-DOWN”

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the non-accepting classes are treated in the manner prescribed by §1129(b) of the Code. A plan that binds non-accepting classes is commonly referred to as a “cram-down” plan. The Code allows the Plan to bind non-accepting classes of claims or equity interest if it meets all the requirements for consensual confirmation except the voting requirements of §1129(b) (8) of the Code, does not discriminate unfairly, and is fair and equitable toward each impaired class that has not voted to accept the Plan. **YOU SHOULD CONSULT AN ATTORNEY IF A “CRAMDOWN” CONFIRMATION WILL AFFECT YOUR CLAIM OR EQUITY INTEREST, AS THE VARIATIONS ON THIS GENERAL RULE ARE NUMEROUS AND COMPLEX.**

VI. MEANS OF IMPLEMENTING THE PLAN

A. SOURCE OF PAYMENTS:

Payments and distribution under the Plan will be funded by the Debtor, based upon their (a) projected monthly rental income, and (b) personal income from part-time employment and/ or temporary unemployment. The Debtor’s Cash Flow Analysis is attached hereto as **Exhibit D** and outlines the Debtor’s sources and used of income. The Plan payments described in this Disclosure Statement are based on the sum of the Debtor’s rental and personal income, minus her monthly mortgage payments, monthly reserves, and expenses for the property and personal expenses. The difference between the two amounts is the Debtor’s proposed monthly Plan payment of **\$368.67**

B. METHOD OF PLAN PAYMENTS:

Debtor will pay all distributions into a separate account on a monthly basis. Debtor will make dispersals from this account quarterly to all unsecured claimants, administrative claimants, and tax claimants. Upon time of dispersal, Debtor will mail payment of the claimants share of Monthly Disposable Income as well as an accounting of the current occupancy at Debtor’s properties at 537 and 529 Calcaterra Circle during the quarter for which the dispersals are made.

Debtor will make payments on secured Debts directly to the appropriate claim holder.

C. DISTRIBUTION ON ACCOUNT OF CLAIMS ALLOWED AFTER THE EFFECTIVE DATE

Except as otherwise provided in the Plan, or upon the entry of a final, non-appealable order of the Bankruptcy Court, or as agreed to by the relevant parties, distributions under the Plan on account of a disputed claim that becomes an allowed claim after the effective date of the Plan shall begin on the regular monthly payment date, as established by the Disbursement Agent, which is at least thirty (30) days after such claim becomes an allowed claim.

Notwithstanding anything in the Plan to the contrary, and except as otherwise agreed to by the relevant parties, no partial payments and no partial distributions shall be made with respect to a disputed claim until all such disputes in connection with such disputed claim have been resolved by settlement among the parties or a final order of the Court. In the event that there are disputed claims requiring adjudication and resolution, Debtor shall establish appropriate reserves for potential payment of such Claims pursuant to the Plan.

D. POST-CONFIRMATION MANAGEMENT

The Debtor will manage his properties post-petition in the ordinary course. He will be authorized to enter into, terminate, and renew lease agreements as he sees fit. Such activities will include retaining management companies to aid in the renting of their property, drafting and serving eviction notices, negotiating loan modifications or refinancing their properties, repairing the properties and maintaining a reserve account of up to three month's mortgage payments, taxes, insurance and repair reserves, or \$10,000.00, whichever is greater.

E. RISK FACTORS

The significant risk related to the Debtor's Plan include the deterioration of the housing and/or rental market. If the rental market deteriorates and the Debtor's is unable to generate enough revenue via his monthly rental payments from tenants, the Debtor may become unable to make his Plan payments

Additionally if Arvind Agarwal cannot secure employment before his unemployment compensation runs out this will additionally effect the plan and possibly necessitate family contributions to the plan.

F. TAX CONSEQUENCES

Creditors concerned with how the plan may affect their tax liability should consult with their own Accountants, Attorneys, and/or Advisors.

The Debtor does not anticipate any adverse tax consequences to his estate from the Plan. To the extent the Debtor receives any debt forgiveness income related to this Chapter 11 case, such income would not be taxable under Section 108(a)(1) of the Internal Revenue Code, 26 U.S.C. §1, *et seq*

VII. EFFECT OF CONFIRMATION OF THE PLAN

A. Discharge of the Debtor

Confirmation of the Plan does not discharge any debt provided for in the Plan until the Court grants a discharge on completion of all payments under the Plan, or as otherwise provided in Section 1141(d)(5) of the Bankruptcy Code. The Debtor will not be discharged from any debt excepted from discharge under Section 523 of the Bankruptcy Code, except as provided in Rule 4007(c) of the Federal Rules of Bankruptcy Procedure.

B. Modification of the Plan

The Debtor may modify the Plan at any time before confirmation of the Plan. The Court however may require a new Disclosure Statement and/ or re-voting on the Plan.

The Debtor may also seek to modify the Plan at any time after confirmation only if (A) the Plan has not been substantially consummated and (B) the Court authorizes the proposed modification after notice and a hearing.

Upon request of any interested party, the Plan may be modified at any time after the confirmation of the Plan, but before the completion of payments under the Plan to (1) increase or reduce the amount of payments under the Plan on claims of a particular class, (2) extend or reduce the time period for such payments, or (3) alter the amount of distribution to a creditor whose claim is provided for by the Plan to the extent necessary to take on accounting of any payment of a claim made other than under the Plan.

Effective as of the date hereof and subject to the limitations and rights contained in the Plan: (a) the Debtor reserves the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, to amend or modify the Plan prior to the entry of the confirmation order; and (b) after the entry of the confirmation order, the Debtor or the reorganized Debtor, as applicable, may upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan; provided however that any modification to the Plan shall not affect the rights or treatment of holders of General Unsecured Claims.

C. Final Decree

Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Debtor, or such other party as the Court shall designate in the Plan confirmation order, shall file a motion with the Court to obtain a final decree to close the case. Alternatively, the Court may enter such a final decree on its own motion.

VIII. OTHER PLAN PROVISIONS

A. Vesting of Assets in the Reorganized Debtor

After the confirmation of the Plan, all property of the Debtor's shall vest in the reorganized

Debtor, free and clear of all liens, claims, charges, or other encumbrances, except those enumerated in the order approving the Motions to Value and the confirmation order. The security interests of the Debtor first lien holders however shall be unimpaired under the Plan with respect to both the Debtor and his property taking into consideration the Motions to Value on the Debtor's property.

C. Effectuating Document; Further Transactions; Exemption from Certain Transfer Taxes

Pursuant to section 1146(a) of the Bankruptcy code, any transfer of property pursuant to the Plan shall not subject to any stamp tax or other similar tax or governmental assessment in the United States and the confirmation order shall direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other document pursuant to such transfers of property without the payment of any such tax or governmental assessment.

D. Revocation of the Plan

The Debtor reserves the right to revoke or withdraw the Plan prior to the confirmation hearing and to file subsequent Chapter 11 plans. If the Debtor revokes or withdraws the Plan or if confirmation does not occur, the (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan, assumption or rejection of Executory Contract or Unexpired Leases effected by the Plan and any document or agreement executed pursuant hereto shall be deemed null and void except as may be set forth in a separate order entered by the Court; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims by or against the Debtor or any other entity; (b) prejudice in any manner the rights of the Debtor or any other entity; or (c) constitute an admission, acknowledgment, offer or undertaking of any sort by the Debtor or any other entity.

E. Successor and Assigns

1 The rights, benefits, and obligations of any entity named or referred to herein shall be
2 binding on and shall inure to the benefit of any heir, executor, administrator, successor or assign
3 of such entity.

4 **F. Reservation of rights**

5 Except as expressly set forth herein, the Plan shall have no force or effect until the Court
6 enters the confirmation order. Neither the filing of the Plan, any statement or provision contained
7 in the Disclosure Statement, nor the taking of any action by the Debtor or any other entity with
8 respect to the Plan shall be or shall be deemed to be an admission or waiver of rights of (1) any
Debtor with respect to the holders of claims or other entity; or (2) any holder of a Claim or other

13 **H. Severability**

14 If prior to confirmation of the Plan any term or provision of the Plan is held by the Court
15 to be invalid, void, or unenforceable, the Court shall have the power to alter and interpret such term
16 or provision to make it valid and enforceable to the maximum extent practicable, consistent with
17 the original purpose of the term or provision held to be invalid, void, or unenforceable and such
18 term or provision then will be applicable as altered or interpreted, *provided* that any such alteration
or interpretation must be in form and substance reasonably acceptable to the Debtor, and to the
extent such alteration or interpretation affects the rights or treatment of holders of general unsecured

LIQUIDATION ANALYSIS²

A. OVERVIEW

A chapter 11 plan cannot be confirmed unless the Bankruptcy Court determines that the plan is in the “best interests” of all holders of claims and interest that are impaired by the plan and that have not accepted the plan. The “best interests” test requires a Bankruptcy Court to find either that (I) all members of an impaired class of claims or interests have accepted the plan or (ii) the plan will provide a member who has not accepted the plan with a recovery of property of a value, as of the effective date of the plan, that is not less than the amount that such holder would recover if the Debtor was liquidated under Chapter 7 of the Bankruptcy Code. The property in question here would have a liquidated value to its appraised value, less foreclosure costs and fees.

B. UNDERLYING ASSUMPTIONS AND DISCLAIMER

The liquidation analysis (the “Liquidation Analysis”) was prepared in connection with the filing of the Debtor’s Disclosure Statement and Plan. **All valuations and debt encumbrances are based on orders of this court and Proof of Claims filed by the respective claim holders with the exception of 537 Calcaterra Circle, Las Vegas, NV which Debtors anticipate valuing at the time of Confirmation. It is worth noting that the automatic stay as to this asset has been vacated and the property is currently in the foreclosure process.**

The Debtor has prepared this Liquidation Analysis based on a hypothetical liquidation under Chapter 7 of the Bankruptcy Code. The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtor’s assets in a chapter 7 case is an uncertain process involving extensive use of estimates and assumption that, although considered reasonable by the Debtor, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtor and his legal advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual Chapter 7 liquidation, and unanticipated events and circumstance could affect the ultimate results in an actual Chapter 7 liquidation.

It is assumed, among other things, that the hypothetical liquidation under Chapter 7 would commence under the direction of a court-appointed trustee and continue for a period of time, during which time all of the Debtor’s major assets would be sold or surrendered to his respective lien holders, and the cash proceeds, if any, net of liquidation related costs, would then be distributed to creditors in accordance with relevant law.

THE LIQUIDATION ANALYSIS IS NOT INTEND AND SHOULD NOT BE USED FOR ANY OTHER PURPOSE. THE LIQUIDATION ANALYSIS DOES NOT PURPORT TO BE A

²All capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Disclosure Statement. To the extent that a definition of a term in the text of this Exhibit C to this Disclosure Statement and the definition of such term in the Disclosure Statement is inconsistent, the definition included in the Disclosure Statement shall control.

1 VALUATION OF THE DEBTOR'S ASSETS AS A GOING CONCERN, AND THERE MAY BE
2 A SIGNIFICANT DIFFERENCE BETWEEN THE LIQUIDATION ANALYSIS AND THE
3 VALUES THAT MAY BE REALIZED IN AN ACTUAL LIQUIDATION. THIS ANALYSIS
4 ASSUMES "LIQUIDATION VALUES" BASED ON APPRAISALS, WHERE AVAILABLE, AND
5 THE DEBTOR'S BUSINESS JUDGMENT, WHERE APPRAISALS ARE NOT AVAILABLE.

6 THE UNDERLYING FINANCIAL INFORMATION IN THE LIQUIDATION ANALYSIS
7 WAS NOT COMPILED OR EXAMINED BY AN INDEPENDENT ACCOUNTANTS. NEITHER
8 THE DEBTOR NOR HIS ADVISORS MAKE ANY REPRESENTATION OR WARRANTY
9 THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE
10 ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS.
11 ACTUAL RESULTS COULD VARY MATERIALLY. THIS ANALYSIS ASSUMES
12 "LIQUIDATION VALUES" BASED ON APPRAISALS, WHERE AVAILABLE AND WHEN
13 APPLICABLE, AND THE DEBTOR'S BUSINESS JUDGMENT, WHERE APPRAISALS ARE
14 NOT AVAILABLE.

15 C. SUMMARY NOTES TO THIS LIQUIDATION ANALYSIS

16 The Liquidation Analysis should be read in conjunction with the following notes and
17 assumptions:

- 18 1. Dependence on Unaudited Financial Statements. This Liquidation Analysis contains
19 estimates that are still under review and it remains subject to further legal and
20 accounting analysis.
- 21 2. Preference or Fraudulent Transfers. No recovery or related litigation costs attributed
22 to any potential avoidance actions under the Bankruptcy Code, including potential
23 reference or fraudulent transfer actions are assumed within this analysis due to, among
24 other issues, anticipated disputes about these matters.
- 25 3. Duration of the Liquidation Process. The Debtor has assumed that the liquidation
26 would involve very little operations. Thus this Liquidation Analysis assumes the
27 liquidation would be completed within twelve (12) months. In an actual liquidation
28 the wind down process and time period(s) could vary thereby impacting recoveries.
For example, the potential for priority, contingent and other claims, litigation,
rejection costs and the final determination of allowed claims could substantially
impact both the timing and amount of the distribution of the asset proceeds to the
creditors. Accordingly, there can be no assurance that the values reflected in this
Liquidation Analysis would be realized if the Debtor was, in fact, to undergo such
a liquidation.

Chapter 7 Liquidation Costs: Pursuant to section 726 of the Bankruptcy Code, the allowed administrative expenses incurred by a Chapter 7 trustee, including but not limited to expenses affiliated with selling the Debtor's assets, will be entitled to payment in full prior to any distribution to Chapter 11 administrative and other priority claims. As the Debtor is an individual it is anticipated that creditor's recoveries would be limited to the values of the property for the secured claimants minus the expenses of the sale of the property itself and any applicable priority professional fees. It is further estimated that the 2nd mortgage on Property 3 would be extinguished and unsecured debts would be unpaid.

EXHIBIT D

Dependence on Assumptions. The Cash Flow Analysis is based on a number of estimates and assumptions that, although developed and considered reasonable by the Debtor's advisors, are inherently subject to significant economic, business, and competitive uncertainties and contingencies beyond the control of the Debtor. The Cash Flow Analysis is also based on the Debtor's best judgment of how likely it is that he will be able to retain the same level of income throughout the life of his Plan and not have his workload and income reduced. Accordingly, there can be no assurance that the cash flow estimates reflected in this Cash Flow Analysis would be realized if the Debtor was unable to maintain her current income and actual results could vary materially and adversely from those contained herein.

FEASIBILITY ANALYSIS

ARVIND AND ALKA ARGARWAL

The court must find that confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor, unless such liquidation or reorganization is proposed in the Plan.

A. DEBTOR HAS THE ABILITY TO FUND THE PLAN AND TO MAKE FUTURE PLAN PAYMENTS AND OPERATE WITHOUT FURTHER REORGANIZATION.

i. The Debtor is able to fund the initial costs that will be assessed on the effective date of the Plan.

Pursuant to the initial plan of reorganization, the Debtor will not need any initial funds to fund the plan therefore the issue of funds of the date of the plan will be a non issue.

ii. The Debtor will be able to fund the plan throughout the life of the Plan.

The Debtor's Cash Flow Analysis shows that the Debtor will have an average gross income of approximately \$119,100.00 per calendar year for the life of the Plan. Debtor is currently receiving \$4,4500.00 a month in a combination of employment income and temporary unemployment benefits. Debtor, Arvind Agarwal, is currently pursuing employment opportunities in order to continue to fund the plan.

With this net income in combination with the successful job search of Arvind Agarwal, the Debtor has a reasonable ability to absorb additional unforeseen costs or unforeseen losses of income in order to fund the Plan throughout the Plan's life without further reorganization.

YOU SHOULD CONSULT WITH YOUR ACCOUNTANT OR OTHER FINANCIAL ADVISOR IF YOU HAVE ANY QUESTIONS PERTAINING TO THESE PROJECTIONS.

B. MEASURES TAKEN TO MINIMIZE THE RISKS TO DEBTOR'S SUCCESSFUL REORGANIZATION.

i. The Debtor has successfully obtained lower values for their Real Property burdened by Class 1 Claims.

Based on the Motion to Value and the Stipulations obtained, debtor has reduced the amount of his monthly mortgage payment and this will allow him to get his rental business. While it is true that the Debtor does have a lingering issue concerning the Valuation of 537 Calcaterra Circle, Debtor intends to value this property at the time of confirmation and furthermore, regardless of whether the Debtor applies the lower valuation of the Debtor or the higher valuation of U.S. Bank, Debtor has reduced the mortgage payment on this property.

THE DEBTOR WILL KEEP A RESERVE OF CASH TO PAY FOR REPAIRS ON HER INVESTMENT PROPERTIES AND/ OR TO PAY MORTGAGE AND UTILITIES WHEN

1 **THEIR PROPERTIES ARE VACANT.**

2 The Debtor will maintain a cash reserve to pay for expensive unforeseen repairs to her real
3 properties. This will be fund via a \$300.00 dedicated payment to cash reserves as part of their rental
4 business and fully accounted for in her monthly cash flow analysis. As is customary in the rental
5 business, something in the Debtor's rental properties may suddenly break down (for example,
6 plumbing pipes or air conditioning systems), and this may force the Debtor to immediately pay for
7 repairs in order to keep the property habitable for Debtor's tenants. To further minimize this risk,
8 the Debtor keeps her properties in good repair, and she has obtained the necessary insurances.
9 Furthermore, Debtor is renting these properties to responsible tenants who take care of the property.
10 Debtor also maintains Home Warranty Insurance on the property in the event of an unforeseen need
11 for a repair.

12 This reserve will also be used to pay the mortgage and operational expenses when the
13 properties are vacant. It will also be used to quickly obtain responsible tenants to rent the property.
14 To further minimize this risk, the Debtor has leased the properties to responsible tenants who have
15 stable jobs and who have a long record of timely monthly payments.

HOW “CRAM-DOWN’ UNDER 11 U.S.C. §1129 MAY BE APPLIED TO CERTAIN CREDITORS OF THIS CASE

ARVIND AND ALKA AGARWAL

Under the “cram down” provision of 11 U.S.C. §1129, a class of creditors who do not accept the Plan may be forced to abide by the Plan if the Plan does not “discriminate unfairly” and is “fair and equitable” toward the class of creditors who did not vote to accept the Plan.

The Debtor believes that there may be a need to “cram-down” the interest of creditors in Class 3, and maybe some of the creditors in Class 1. There may be a need to “cram-down” the interests of the general unsecured creditors in Class 3 if they vote to not accept the Plan. If so, under the “cram-down” these creditors will each receive their pro-rata share of the Debtor’s monthly payment of **\$1,300.67** over 60 months under the Plan. This proposed treatment does not discriminate unfairly and is fair and equitable because each and all creditors will receive a share proportional to the value of their claim as related to the total value of all Class 5 claims.

The “cram-down” of Class 1 claims may happen if the Class 1 Claim vote §1111(b) election, the claim will be entirely secured to the value of their lien according to the claimant’s proof-of-claim or the Debtor’s schedules. The “cram-down” will apply to the interest-rate which the Debtor will pay at 0.00%. If a Class 1 claimant does not make an §1111(b) election, the Plan will “cram down” the Class 1 claim according to the lower principal balance, and possibly the lower interest-rate and longer term as designated in the Plan. The Class 1 claimant will also have a deficiency claim for the unsecured deficiency portion of its claim against the Debtor. If there is a “cram-down” of this Class, it will not discriminate unfairly and will be fair equitable toward the Class. Under a “cram-down”, each Class 1 claimant will receive the same treatment proportional to their claim if they make their §1111(b) election. Each Class 1 claimant will also receive the same treatment proportional to their claim if they do not make their §1111(b) election.

____ YOU SHOULD CONSULT YOUR OWN ATTORNEY IF A “CRAM-DOWN” CONFIRMATION WILL AFFECT YOUR CLAIM OR EQUITY INTEREST, AS THE VARIATION ON THIS GENERAL ARE NUMEROUS AND COMPLEX.____
